Submission Confirmation

Thank you for your time and interest in applying for a scholarship through the Ann Arbor Area Community Foundation (AAACF)!

Please read the information below carefully before you continue.

If you sign and click Submit Application you will have completed the Common Application portion of the scholarship application. NOTE: You are NOT done with the application itself.

- You will see a confirmation page that says you have submitted the Common Application
 with a list of scholarship opportunities for which you are eligible and a list of the ones
 which will ask you for supplemental information.
- If you do qualify for a scholarship opportunity, after you click Continue, you can then click on each listed scholarship opportunity to request a Transcript, Scholarship Recommendation Form, write essays, and submit other required information.
- Some questions are shared among more than one scholarship, so you will only need to
 enter your responses once. This includes the transcript upload/request, one Scholarship
 Recommendation Form request, your activities/achievements, and the three essays
 (one of which is optional).

- You MUST click Submit Application <u>for each individual scholarship application to be</u> <u>considered complete.</u>
- You are able to submit your application without your counselor uploading the transcript and/or the Scholarship Recommendation Form being submitted but it is not complete and will not be reviewed by a committee unless ALL components are submitted by the application deadline. It will remain in the Action Needed column on your dashboard until it is totally done at which point it will move to the No Action column. It is your responsibility to make sure the people you request complete items for you finish them by the deadline.

If you are not ready to complete the Common Application portion of the scholarship application you can click Save Application to hold your answers and come back to the section at any time. When you do return, click Submit Application when you have completed the information being asked.

- If you click your dashboard and only see the Common Application title on your dashboard and no other related scholarships beneath it, you unfortunately are not eligible for any scholarships through AAACF at this time.
- If you feel you should be eligible for any given scholarship opportunity after reading our criteria (found on the AAACF website), please contact Maryellen Ferro at mferro@aaacf.org.

Confirmation of Understanding*

I have read the instructions/statements listed above. Additionally, I understand that while AI tools may be used for brainstorming ideas or editing my scholarship application answers/essays, the final submission must be my own voice and perspective.

I started to believe, a long time ago, that everything I do makes me a better person in the end. No matter what. I choose to learn from everything I do instead of dwell on how I could have done it differently. I don't see the point in worrying about something I can't change. I just plan on doing it right the next time."
