# Tatiana Cooper

## Administrative Assistant

Ann Arbor Area
Community Foundation
For good. For ever. For all.

Tatiana serves as the Administrative Assistant at the Ann Arbor Area Community Foundation, where she provides administrative support to staff and assists with managing the CEO's calendar, coordinating appointments with donors, community members, and partner organizations.

Tatiana has an extensive background in healthcare administration and customer service. Prior to joining AAACF, Tatiana spent five years in administration at Michigan Medicine and was a CNC laser operator for a medical manufacturing company. She gets great satisfaction from helping her colleagues and enjoys connecting with community members.

She is currently pursuing her education in dietetics, with the goal of helping low-income families and communities develop healthier lifestyles and reduce their risk of diabetes.

Outside of work, she loves reading, cooking, watching movies, and spending time with family and friends, along with her two dogs, Thor and Storm. Some of her favorite local activities include kayaking at Gallup Park and visiting Bill's Hot Dog and Gabriel's Cheesesteak Hoagies.
